- Order and shipping information: delivery address, city/district, landmark, and order preferences.
- Payment information: we do not store your full card, eSewa, or Khalti account credentials on our servers. Payments are processed through our third-party payment partners (see Section 5).

Information collected in person:

- If you make a purchase in person at our physical counter (point-of-sale), we may collect your name and phone number if you choose to link the purchase to a customer account; walk-in cash purchases do not require any personal information.

3. How We Use Your Information

- To process and fulfill your orders, including payment processing, packaging, and delivery coordination.

- To create and manage your customer account, including order history and saved preferences.
- To send transactional communications: order confirmations, shipping and delivery updates, and email verification codes (OTP) at signup.
- To respond to your inquiries, support requests, and wholesale/bulk order questions.
- To improve our Service, troubleshoot issues, and understand how customers use our website.
- To send you marketing communications about new products, offers, or promotions, but only where you have opted in, and you may unsubscribe at any time.
- To detect, prevent, and address fraud, abuse, or security issues, including verifying phone numbers or email addresses to reduce fraudulent or undeliverable orders.
- To comply with applicable legal and regulatory obligations.

4. How We Share Your Information

We do not sell your personal information. We may share your information with the following categories of third parties, only as necessary to operate our Service:

- Payment processors (eSewa, Khalti, Fonepay, or other supported providers) to complete transactions you initiate.
- Cloud infrastructure and service providers, including our database hosting provider, cloud image storage provider, and transactional email service, who process data on our behalf under appropriate confidentiality obligations.
- Delivery and courier partners, to fulfill and deliver your order.
- Legal and regulatory authorities, where required by applicable law, court order, or governmental request.
- Business transfers: if Mokshya Foods is involved in a merger, acquisition, or sale of assets, customer information may be transferred as part of that transaction, subject to standard confidentiality protections.

5. Payment Processing

All online payments are processed through licensed third-party payment gateways (eSewa, Khalti, and/or Fonepay). These providers have their own privacy policies governing how they handle your payment information. Mokshya Foods does not directly receive, process, or store your full payment card numbers, digital wallet passwords, or PINs on our own servers. For Cash on Delivery orders, payment is collected in person at the time of delivery.

6. Cookies and Tracking Technologies

We use cookies and similar technologies to keep you logged into your account, remember items in your shopping cart, and understand aggregate usage patterns on our Service (for example, via analytics tools). You can control or disable cookies through your browser settings; however, disabling certain cookies may affect the functionality of our Service, such as your ability to remain logged in or retain items in your cart.

7. Data Security

We implement reasonable technical and organizational measures designed to protect your personal information, including password hashing, encrypted connections (HTTPS), access controls limiting who within our team can view sensitive data, and restricted, need-based access to payment gateway credentials. However, no method of transmission over the internet or electronic storage is completely secure, and we cannot guarantee absolute security.

8. Data Retention

We retain your personal information for as long as necessary to provide our Service, fulfill the purposes described in this policy, and comply with our legal and accounting obligations. Order records may be retained for a longer period where required for tax, accounting, or dispute-resolution purposes. You may request deletion of your account as described in Section 9, subject to any records we are legally required to retain.

9. Your Rights and Choices

- Access and update: you may access and update your account information at any time through your account dashboard.
- Marketing preferences: you may opt out of marketing emails at any time using the unsubscribe link included in those emails, or by adjusting your notification preferences in your account settings.
- Account deletion: you may request that we delete your account and associated personal information by contacting us using the details in Section 12, subject to information we are required to retain for legal or accounting purposes.
- Cookie preferences: you may control cookies through your browser settings as described in Section 6.

10. Children's Privacy

Our Service is not directed to individuals under the age of 16, and we do not knowingly collect personal information from children. If we become aware that we have inadvertently collected personal information from a child without appropriate consent, we will take steps to delete such information promptly.
